***SOCIAL DISTANCING MEASURES IN OPERATION***

Safety remains a key priority so that we can do our bit in helping to limit the spread of the virus as much as we can. We want to reassure you that we will continue to do all we can to keep you and our team safe with measures in place to offer an enhanced level of protection.

We already have a range of safety precautions instore including perspex screens at the checkouts, clear social distancing signage, temperature checks and hand sanitising for customers and regular deep cleaning regimes. Our team are on hand to help you with any safety queries and to help keep everyone safe with adherence to Government guidelines and our instore safety precautions.

Please help us to help you by shopping responsibly, with the following requirements for entry to our shop:

- We are only a small shop so we ask you to be sensible with the number of people in your party. Please shop alone if possible and ideally a maximum of 2.
- Our shop is restricted to 25 people at any one time.
- Card payment only.
- No mask, no service (unless proof of exemption).
- Please be patient and treat our team with courtesy and respect as they work incredibly hard carry out their extended duties during these strange and challenging times.
